

LEARNING ECOSYSTEM GAP ANALYSIS MAP

OVERVIEW

This tool supports you in identifying all of the platforms and interfaces that your user engages with on their learning journey.

DIRECTIONS:

- Think about each phase in the journey from a learner's perspective.
- Add notes to the outer ring of the map to indicate which platforms are used in each phase.
- Reflect on how this journey might feel to a learner and add to the inner ring of the map.

SAMPLE PLATFORMS:
